

# LONDON DEVILETTES GIRLS HOCKEY ASSOCIATION

The London Devilettes Girls Hockey Association has been providing a hockey program for girls in our area since 1986. Last season, we had 800 registered players ranging in age from 4 to 21 years old who participated in either our house league or competitive hockey programs.

We are seeking the support of your Company to help keep our hockey program affordable for as many families as possible. Each season we depend on financial support from companies like yours to help offset such costs as ice rental, referees and uniforms. We greatly appreciate the support from those who recognize the value of helping to provide female sport and recreation programs to girls in our community.

For the 2008-09 hockey seasons, we offer several levels of sponsorship of our hockey programs:

*Competitive (travel) team Sponsorship:*  
**\$700.00**

A competitive team sponsorship includes your Company's name on a bar stitched onto the back of all the team jerseys. Our 15 competitive teams play against teams in communities across south-western and southern Ontario. This is great exposure for your business, not only in our community but in others as well! We also provide you with a "Thank-you" photo plaque of your team when the season is completed and post your companies name on our web-site.

*House League team Sponsorship:*  
**\$450.00**

The house league team sponsorship includes your Company's name bars on all the team jerseys. You will receive great exposure of your Company's name in our community at a more economical rate for your business. We also provide you with a "Thank-you" photo plaque of your team when the season is completed and post your companies name on our web-site. We would also like to offer the sponsor two "picks" for their team. Typically this would be the sponsor's child and a friend.

**Multiple team sponsorship: 10% discount:** We would also like to extend the opportunity to offer a 10% discount for companies interested in sponsoring more than one team per year.

We thank you for your consideration and we hope your Company will be able to support the London Devilettes Girls Hockey Association in continuing to provide an excellent recreation and competitive athletic program for girls in our community!

Sincerely,
